**Answers**  
BIBLE CURRICULUM

**Bringing the Bible to Life**  
in your Sunday school!

**Powerful Core Features**

- Full of apologetics and life application
- Whole Bible curriculum
- Focus on God's plan of redemption
- Student take-homes for family discussion

**Answers Bible Curriculum** is a chronological curriculum that covers the entire Bible. It answers questions that confront Christians today, and it provides an amazing overview of God's Word. Handouts reinforce the lesson content and encourage easy family discussion at home. Students are equipped with "faith proofs" to defend the Bible and to honor Christ as they apply Scripture to their everyday lives.

**Sundays, during terms at 9.15am**

- Junior Teens (ages 12-15)
- Senior Teens & Adults (ages 16 and up)

**Whole Bible. Whole family. Whole truth.**

## CHILD PROTECTION POLICY

The welfare of children in our care will be an important priority and the church & ministry leaders will provide a safe and friendly environment where children are listened to, kept safe & given enjoyable activities to learn & grow. CMBC's Child Protection Policy is on the back table & the CMBC website. All members, regulars, & visitors must agree to follow the guidelines & rules within this document whenever attending a church service or activity.
