*Dear Daniel and Nelly, we welcome you to our fellowship today. May the Lord refresh you in Australia and bless your ministry to the churches. We also pray for the church in your absence that God will keep working and the fellowship may reap a harvest.*

### HAWES

Dear Praying Brothers and Sisters,  
Please pray for Leandra as she has been very sick this week with Chikungunya a mosquito born illness. The joint pain and fatigue could last for a couple weeks.

Today at Bible Study Seku the village leader announced to the people it was now time to start meeting on Sunday. Hallelujah, praise God! We have been praying for this for a long time! God also brought a new man of potential to the Bible study.

The exterior walls on the girls dorm extension are framed now and we plan to start setting

trusses on Monday.

Thank you so much for your faithful prayers and support! We are so grateful for your partnership.

For His Glory,  
Tim, Leandra, and Lydia Hawes
